**Memorandum**

**DATE:** October 1, 2008

**TO:** Jim Armstrong, City Administrator 

**FROM:** Councilmember Dale Francisco  
Councilmember Helene Schneider 

**SUBJECT:** Interim Suspension of Hedge Ordinance

Pursuant to Council Resolution 05-073 regarding the Conduct of City Council Meetings, we request that an item be placed on the Santa Barbara City Council Agenda regarding an interim suspension of Section 28.87.170 of the municipal code as it relates to hedges and vegetative screens.

- Summary of information to be presented:  
A proposal to temporarily suspend zoning code enforcement of Municipal Code Section 28.87.170 (Fences, Screens, Walls, and Hedges) as it relates to hedges and vegetative screens, until this code section is updated. This would not affect code enforcement for traffic safety. Please see the attached copy of the municipal code for additional details.
- Statement of Specific Action:  
Councilmembers Francisco and Schneider request the following topics to be discussed by the full Council at the earliest convenient time:
  - Should the Council temporarily suspend Municipal Code Section 28.87.170 as it relates to hedges and vegetative screens (except for complaints regarding traffic safety), in order to reduce neighborhood discord and to allow for orderly community discussion and review?
  - Should the Council advise the Community Development Director that this code section should be reviewed and possibly revised?
- Statement of the Reasons Why it is Appropriate and Within the Jurisdiction of the Council to Consider this Subject Matter and to Take the Requested Action:  
Community Development staff has identified this section of the zoning ordinance, originally adopted in 1957, as needing review and possible revision. They've identified it as a priority work item, one requiring both community outreach, and review by appropriate City boards and commissions, particularly Ordinance Committee and City Council.

Zoning enforcement complaints regarding hedges have resulted in significant discord among neighbors. Temporarily suspending enforcement will enable community outreach and dialogue as part of the code update process, and will allow time for a thorough, deliberative process.
